### WHAT OUR CUSTOMERS SAYS

*“My husband and I recently contracted the services of Jean and the team at NQ Pool Warehouse to purchase and install an inground pool in our back yard. Throughout the entire process we found Jean to be friendly and extremely helpful. She was able to suggest a number of options for pools for our back yard, which wasn’t an overly big space. The pricing was transparent and easy to understand, thanks to Jean’s advice we managed to save money and the turnaround time from quote request to pool in the ground was only a matter of weeks and our new pool looks amazing. NQ Pool Warehouse took care of everything from Pool, to Pumps, Cranes, Council, Plumbing, Cementing and Tiles. The process was so easy and quick for us as the customer, I wouldn’t hesitate in recommending Jean and NQ Pool Warehouse to anyone thinking of installing a pool in their backyard...it is worth it!”*
