eBrochure

Where can I use eBrochures?

Marketing

Use interactive content to get more leads and convert visitors into buyers more efficiently.

Sales

Turn catalogues into additional sales channels and give better pitches when talking face-to-face with a prospect.

Education

Interactivity greatly benefits teaching processes. Use eBrochure to help students easily digest new information.

Compatible with Mobile Devices

Share on Social Media

Links

Active links to websites, emails and telephone numbers.

Bookmarks

Easily bookmark pages from your eBrochure.

Pop-up Images

Add enlarged product images to your catalog.

Videos

Engage people who prefer watching to reading.

You can embed  **YOUTUBE** videos anywhere on the page, and they will work on any device.

Shopping Cart

Customers can instantly add a needed item to the shopping cart and browse for more without leaving the pages of your catalog.
