

Completely Clean

ABOUT US

My name's Dave and I've been in the carpet cleaning business for over 30 years.

With thousands of carpets cleaned, there isn't much I haven't had to deal with! It's safe to say that I absolutely love the job and I couldn't see myself doing anything else. I clean all carpets, upholstery, and curtains in situ. I also specialise in leather cleaning. I offer allergy and antibacterial cleaning, stain guard, and a range of fragrance odors. I use truck-mounted equipment, which provides the most powerful performance with fantastic results. This means that your carpets are dry within a couple of hours.

I look forward to cleaning for you. Please get in touch via the Contact Us page for a free quote, and we'll get your carpets "Completely Clean" in no time!
